

# Hong Kong – Guangdong Cross Border Motor Insurance (Unilateral Recognition Extended Cover)

"Northbound Travel for Hong Kong Vehicles", coming into effect in 2023, allows private cars registered in Hong Kong without a Mainland China License Plate to travel to Guangdong Province via the Hong Kong-Zhuhai-Macau Bridge for a period not exceeding 30 consecutive days. In anticipation of the scheme's launch, BOCG Insurance introduces the new product "Hong Kong – Guangdong Cross Border Motor Insurance (Unilateral Recognition Extended Cover)", for our existing motor insurance customers who are planning to drive to Guangdong Province to apply for Cross-Border Motor Vehicles Compulsory Insurance (Compulsory Insurance) and Cross-Border Motor Vehicles Commercial Insurance (Commercial Insurance).

## Scope of Coverage

**Compulsory Insurance** - According to Mainland China's "Compulsory Traffic Accident Liability Insurance for Motor Vehicles Act", all vehicle owners or drivers who drive on roads within the territory of the People's Republic of China (excluding Hong Kong, Macau, and Taiwan) are required to purchase compulsory traffic accident liability insurance. In the event of a road traffic accident, third-party victims (excluding the vehicle occupants and the insured) can be compensated through the Compulsory Liability Insurance for death, injury and/or property damage.

Coverage	Coverage Limit (RMB)	
	If insured is liable	If insured is not liable
1. Death and Disability	180,000	18,000
2. Medical Expenses	18,000	1,800
3. Property Damage	2,000	100

**Commercial Insurance** - The insurance offers additional third-party liability coverage beyond Compulsory Liability Insurance, with typically much higher coverage limits. Policyholders may also opt to add Passenger Liability Insurance to their policy, which provides compensation in the event of injury or death of occupants in the insured vehicle resulting from an accident.

Coverage	Coverage Limit (RMB)			
1. Third-Party Liability	1,000,000	2,000,000	3,000,000	5,000,000
2. Passenger Liability	100,000/per person
